FOR IMMEDIATE RELEASE

(Pembroke) The Northern Old Bastards Vintage Motorcycle Club recently rode in to the Pembroke Regional Hospital Foundation to gift \$320 to the *Cutting Edge Campaign*.

“Our members reside in communities across the Upper Ottawa Valley, so we’re pleased to help the Pembroke Regional Hospital make a real difference in the lives of Renfrew County families,” said Stu MacFarlane, NOBVMC Vice-President.

The dedicated group of rare and vintage motorcycle enthusiasts comes together once a month to promote riding, biking and classic and vintage motorcycle events. As a repeat supporter of the PRHF, the group raises funds through breakfasts, selling t-shirts and through membership fees.

Accepting the donation was PRHF Executive Director, Nancy Warren: “We are grateful that the NOBVMC continues to make our hospital needs a priority in their fundraising efforts.”

“NOBVMC is an encouraging example of how individuals who share an interest, activity or passion can help drive positive change to their communities,” continued Mrs. Warren.
