

## In Loving Memory – Tribute Wall Unveiled at PRH

FOR IMMEDIATE RELEASE

April 26, 2019

**(Pembroke)** To honour the people who have touched our lives and are no longer with us, the Pembroke Regional Hospital Foundation has unveiled a special Tribute Wall at the Pembroke Regional Hospital.

“Over the years, we’ve had many requests from local families seeking a special area dedicated to remembering their cherished loved ones. Now we have a beautiful Tribute Wall that friends and family can visit and return to often. I am so pleased that we were able to make this a reality,” said Nancy Warren, Executive Director of the Foundation.

Located on the ground floor of Tower B, close to the Sunshine Gift Shop, the wall features bronze and silver-coloured metallic plaques, to be inscribed with the name and the years that marked the memorable passage of our precious friends and family members.

A double plaque (with two names) is \$500 while a single plaque is \$350. Your memorial tribute also qualifies as a charitable gift. Furthermore, in recognition of current Estate Gifts, those who leave a gift in their will to the Pembroke Regional Hospital will automatically be added to the Tribute Wall (if the family desires).

All Tribute Wall donations will have a lasting impact on local families by supporting ongoing advancements at your regional hospital.
