**July 19, 2022**

**(Pembroke)** The Pembroke Regional Hospital Foundation is delighted to announce their brand new *Giving Garden!* Located on the ground floor of Tower B at PRH, this new *Giving Garden* will provide a new and unique way for donors to honour a loved one and for businesses to show their support of the hospital!

“We want to give a big thank you to Lana Murphy of Astrid’s Floral Boutique for generously donating and planting the beautiful plants in the garden,” said Leigh Costello, PRH Foundation Community Fundraising Specialist. She adds, “We are thrilled with how this project turned out and we know it will be enjoyed by donors and hospital patrons for years to come.”

The Foundation’s Executive Director Roger Martin said “We are excited to be able to offer the community and businesses a new way to support their regional hospital while recognizing others, and we’re even more excited that the *Giving Garden* complements our new *Digital Donor Wall*, set to launch later this summer.”

Plaques for the *Giving Garden* can be purchased by businesses or individuals and dedicated in memory or in honour of someone special. These plaques will remain in the garden for one or three years with a renewal opportunity in further support of the Pembroke Regional Hospital’s greatest needs.
