**September 16, 2022**

**(Pembroke)** The Pembroke Regional Hospital Foundation is excited to announce that the Ace of Spades has been “caught” on week #20 in their *Catch the Ace* lottery supporting the *Cancer Care Campaign*. The lucky winner, Wayne Shaver, of Carleton Place, took home an amazing prize of \$61,921! Wayne’s winning ticket #T-1266195 was drawn from the electronic generator and he chose Card #23 which revealed the Ace of Spades!

Wayne expressed his shock and excitement, telling the Foundation staff, “I am happy to support the hospital. I played most weeks and never thought I would win! My wife and I think we will take a vacation somewhere warm to celebrate.”

PRH Foundation, Executive Director, Roger Martin said, “In just 20 weeks, the lottery has raised an incredible **\$97,863 for the Pembroke Regional Hospital Foundation’s *Cancer Care Campaign***. This campaign will fund the expansion and upgrade of our Pharmacy and Chemotherapy/ Medical Day Care units at PRH. Congratulations to our winner Wayne and thank you to everyone who supported this lottery and purchased tickets each week.”

The PRH Foundation is happy to announce that they will be hosting another *Catch the Ace* lottery very soon! Leigh Costello, Community Fundraising Specialist, adds, “We are so thrilled with the success of our past *Catch the Ace* lotteries and how the community rallied around to support this event and cause. We couldn’t have done it without all of our volunteers and community supporters who helped us spread the word and sell tickets each week. We are so excited to see local residents get behind our next draw.”

Stay tuned for updates regarding our next *Catch the Ace* lottery for the Pembroke Regional Hospital, which will be announced on their Facebook Page in the coming weeks. Mr. Martin adds, “Thank you to ALL our supporters, and we will see you when the deck gets shuffled for the next *Catch the Ace* folks!”
