Subject: Changes to the Tower C Staff Parking Lot Now in Effect

Effective immediately, the last row of ten (10) parking spots in the Tower C lot adjacent to Caritas (Grey Sisters) is no longer available to PRH staff. Signage has been installed to reflect this and will be enforced.

Alternate staff parking is still available in the Deacon Street lot and in the Bell Street lot. Any staff having issues in finding suitable parking, can contact Tracey at SP Plus (613) 635-7275 for assistance.

We thank you for your cooperation.
