Subject: **John Saunders – Chief Information Officer**

After three years of dedicated service to the Pembroke Regional Hospital, John Saunders has decided to move back to his homeland of Australia, with his last day of service at PRH being August 26, 2022.

John has been an integral part of the Pembroke Regional Hospital, having worked as the Director of Information Technology, and then Chief Information Officer. John has been instrumental in supporting and leading the department to achieve goals and complete projects, while helping to improve business processes throughout the Hospital.

Everyone who has had the pleasure to work with John has witnessed his hard work, commitment, expertise, and collaborative approach.

Please join me in thanking John for his service at PRH, and wishing him all the best for his future endeavors in Australia.

An announcement regarding a new Director of Information Technology is forthcoming.
