

PEMBROKE REGIONAL HOSPITAL

MEMO

TO: All Staff and Physicians

FROM: Senior Leadership Team

DATE: January 27, 2022

SUBJECT: PRH Monitoring For Potential Impacts Of
Freedom Rally truck convoy

As you are likely aware, hundreds of vehicles, primarily transport trucks, associated with the Ottawa-based *Freedom Rally* gathering this weekend will be travelling through the Pembroke area en route to Arnprior Friday, January 28th between 4 and 6 p.m. There are plans for some of the convoy to make a half-hour stop at the Irving Truck Stop in Pembroke at approximately 4:30 p.m.

Please note that our management team has met and discussed work-arounds for any potential disruptions – supply chain or otherwise, that this event could cause and our team will be monitoring the situation tomorrow throughout the day and into the weekend.

With some road closures anticipated in the area of Paul Martin Drive, staff and physicians who will be travelling and may be impacted by detours are reminded to allow extra travel time and to check local news sources for any updates.

Should you have any questions or concerns, please speak with your manager.
