

PEMBROKE REGIONAL HOSPITAL

MEMO

TO: All Members of the PRH Health Care Team

FROM: Senior Leadership Team (SLT)

DATE: February 22, 2021

SUBJECT: Temporary Planned Closure of Tower C Staff Parking Lot For COVID-19 Vaccination Clinics

In order to accommodate those attending our upcoming COVID-19 vaccination clinics, we will be temporarily closing off the Tower C staff parking lot on specific clinic dates.

On these dates we would ask that all those who would usually park there to kindly park in the Deacon Street staff parking area instead.

At this time, closures of the Tower C staff parking lot are scheduled for Thursday, February 25th, Saturday, February 27th and Sunday, February 28th.

Signage and barriers will be posted.

Thank you very much for your cooperation.
