

PEMBROKE REGIONAL HOSPITAL

MEMO

TO: All Members of the PRH Health Care Team

FROM: Senior Leadership Team (SLT)

DATE: March 4, 2021

SUBJECT: Temporary Planned Closure of Tower C Staff Parking Lot For COVID-19 Vaccination Clinics

In order to accommodate those attending this weekend's COVID-19 vaccination clinics, we will once again be temporarily closing off the Tower C staff parking lot.

On these dates we would ask that all those who would usually park there to kindly park in the Deacon Street staff parking area instead.

At this time, closures of the Tower C staff parking lot are scheduled for the evening of Friday, March 5th, and all day Saturday, March 6th and Sunday, March 7th.

Signage and barriers will be posted.

Thank you very much for your cooperation.
