

Come join our Dynamic Team of Hospitalist Full Time, Part Time, Locum

Located 1.5 hours west of Ottawa, Pembroke Regional Hospital (PRH) delivers a broad range of acute, subacute, outpatient and diagnostic services to a mixed urban and rural population of approximately 100,000 residents in the Upper Ottawa Valley. **PRH is recruiting Family Physicians or Internal medicine physicians to provide comprehensive care for inpatients within our Hospitalist Program. Our hospitalists are MRP for general medicine, rehabilitation and psychiatry inpatients.**

Pembroke is situated on the shores of the Ottawa River close to Algonquin Park and the hospital provides an array of diagnostic and specialist services including CT, MRI, echocardiography, anesthesia, general surgery, intensivists, internal medicine, obstetrics and gynecology, orthopedics, otolaryngology, physiatry, psychiatry, and urology.

PRH is a designated District Stroke Center and has a level 3 ICU that is staffed by a comprehensive multi-disciplinary team including intensivists, nurses, and respiratory therapists with access to all other allied health specialists. We are also the orthopedic hub for the Renfrew County.

Program Description

- Provide in patient care for medical, rehab, acute mental health patients
- Collegial hospitalist group
