

Pembroke Regional Hospital Staff Association

Membership Has Its Privileges

February 8, 2022

Dear PRH Staff Members and Physicians:

On behalf of the Hospital's Staff Association, I would like to take a moment to speak to you about the benefits of becoming a Staff Association member.

If you are already a member – new or existing, I would like to extend my thanks to you and it is my hope that you are satisfied with the benefits your membership continues to bring. This past year required us to maintain the changes to our events and processes in order to adhere to the COVID-19 safety measures, but thanks to all of you – we made it work!

If you are not a member, I would like to give you a quick outline of what \$2 per pay or \$52 annually provides you with:

- **An opportunity to enjoy a variety of monthly treats/give-aways. (In 2021, members receiving 12 items received approximately \$44 worth of product.)**
- **A chance to win prizes in monthly cash draws and several cash prize draws throughout the year. (In 2021, \$2,400 in cash and gift cards were given away.)**
- **Complimentary or low-cost participation in special events. (In 2021 this included a family-oriented Christmas skating event. In previous years – pre-COVID, this has included our Christmas Dinner and Dance, Family Christmas party, movie nights, craft classes, trivia nights and more.)**

Given these benefits, and others, if you would like to take advantage of all that a SA Membership has to offer, and you are a full or part-time staff member, please contact Human Resources to join via payroll deduction (\$2/pay).

New or existing casual or temporary staff and physicians can also enroll in the Staff Association by paying for a full year up front (\$52). These payments can be made by cash or cheque made out to the PRH Staff Association. Those in this category should contact me directly to make these arrangements.

If you have any questions about the PRH Staff Association, or would like to be part of the Executive, please feel free to contact me at extension 6165, or carolyn.levesque@prh.email.
