Better Quality. Better Health.
Meilleure qualité. Meilleure santé.

Profile

Nancy Kay has been a Registered Pharmacist in the province of Ontario for over 30 years. She started her career in community pharmacy, transitioning to work as a clinical pharmacist at the Chatham-Kent Health Alliance in Chatham, Ontario. In 2011, she assumed the role of Director of Pharmacy. She moved on to the realms of Quality/Risk, IPAC, Professional Practice, Medical Affairs and Patient Experience. Currently, she is the Director of Organizational and Leadership Development.

Nancy is an innovative, results-oriented healthcare leader with a strong track record of performance in a large community hospital setting with a keen focus on continuous quality improvement and systems transformation while prioritizing the patient experience.

Nancy is a Director on the Board of the Chatham-Kent Hospice. As well, she serves on the Board of Directors of the Chatham-Kent Gay Pride Association.

Most recently, Nancy has been licensed as a Humanist Wedding Officiant in the province of Ontario.
